WELCOME TO CROSSVILLE!

Being named the “**Golf Capital of Tennessee**” is not a case of local officials looking for a catchy moniker. The title is well deserved with 10 championship courses and 180 holes of pure golfing pleasure. These courses are all well designed and maintained, catering to handicaps large and small. Over 500,000 rounds of golf are played on average each year in beautiful Crossville – Cumberland County, Tennessee, and that number grows annually. From Tennessee’s famous Fairfield Glade community to Jack Nicklaus’ Bear Trace at Cumberland Mountain State Park, there’s a course to suit anyone’s golfing desires at

the “**Golf Capital of Tennessee.**”

But, as one of Tennessee’s top destinations for tourism, there’s much more to offer than golf! Visitors will enjoy many outdoor activities, live entertainment, historical and cultural attractions, fine restaurants, winery tours, and an abundance of shopping alternatives – not to

mention the Southern charm and hospitality, beautiful country scenery and small town atmosphere unique to Crossville and Cumberland County.

Situated atop Tennessee’s Cumberland Plateau, the climate is enjoyable year-round. Winter temperatures are typically in the 40s and 50s, summer highs average in the 80s, and in the fall and spring, temperatures are as close to perfect as can be. Crossville and Cumberland County are also centrally located right off Interstate 40 less than 90 minutes from Nashville, Knoxville and Chattanooga.
