

# KENTUCKY STATE PARKS

[parks.ky.gov/golf](http://parks.ky.gov/golf)

## PARK ACTIVITIES

Play one of our nationally-recognized golf courses with tree-lined fairways and striking woodland settings while the family enjoys swimming, hiking trails and nature programming. Our courses are easy enough for junior golfers but well conditioned and challenging for adults. Plan an extra day to enjoy the lakes from a canoe, kayak or pontoon boat. World-class fishing and wildlife viewing make these golf destinations a true vacation experience.

## LODGING

The Kentucky State Parks system operates full-service lodges with hotel-type rooms and cottages to suit your individual style for overnight accommodations. An online reservations system provides a way to check rates, availability and request golf package quotes.

[parks.ky.gov/golf](http://parks.ky.gov/golf)

## STAY & PLAY

The Stay and Play flexible golf packages allow you to choose the length of stay, type of accommodations and dining options. Select on-site lodge rooms with full-service restaurants or two and three-bedroom cottages with spacious gathering areas for the group.

Package rates are per person, per night based on double occupancy plus tax and include lodge room, green fees, cart fees and a gift card. The gift card may be used for dining, shopping or golf replay. For cottage stays, add \$10.00 per person, per night. Please call the park for pricing and availability.

## GOLF COURSES
