## Rocky River Golf Club

AT EMBASSY SUITES GOLF RESORT & SPA

Rocky River Golf Club is the premier public golf course in the Charlotte metropolitan area. Located at the Embassy Suites, Concord Golf Resort and Spa, it's one of the only courses in the area to offer stay and play packages. The Dan Maples design is a fair, but challenging layout that uses the existing terrain to create a beautiful, winding layout. Dramatic rock outcroppings and various species of native wetland grasses surround the course to create a remote setting. Large, contoured greens make accurate iron play a necessity, and length off the tee will make at least two of the three par 5's reachable in two shots. With a renovation to the greens in 2012, Rocky River Golf Club now features Mini Verde Bermuda grass putting greens, which provide a great surface all year round.

## The Club at Irish Creek

A DAVIS LOVE III SIGNATURE DESIGN

The layout of the Club at Irish Creek takes full advantage of the mature forest, the natural rolling terrain, and the pristine lake, which is visible from 16 of the 18 holes. The goal was to create a course that challenges skilled players to think their way from tee to green, but with few forced carries, wide fairways, and ample greens, it's friendly to recreational and new golfers. The private course is host of the North Carolina Open and is an official site for both US Amateur and PGA Tour Qualifying. It's been named a top 40 course in North Carolina and is top 5 in the Charlotte area according to a North Carolina Golf Panel. GolfWeek has rated it #72 of America's Best Residential Courses. To experience this Davis Love III masterpiece, please visit our website and click on the "Member for a Day" tab.

## Red Bridge Golf & Country Club

BREATHTAKING, BEAUTIFUL AND CHALLENGING

Situated on 500 beautiful acres in the foothills of the Uwharrie Mountains, Red Bridge Golf Club is one of the region's premiere golf destinations, just minutes from downtown Charlotte. The natural rolling landscape of the course, designed by Pete Dye protégé David Postlethwait, is both challenging and appealing to golfers of all handicap levels. The championship layout is almost 6,800 yards long with distinct topography changes carved by the waterway that produced the United State's first discovery of gold. Bermuda fairways and Mini Verde Bermuda greens are framed with over 28 strategically-placed bunkers and several streams and ponds that place a premium on shot-making.
