

The Sevierville Golf Club features two magnificent courses, The River and The Highlands. Our fast, bent grass greens are encompassed by zoysia and are offered up from lush Bermuda fairways. Both courses provide excellent views of the Great Smoky Mountains.

The River course winds 7,120 yards (from the champion's tees) along and across the Little Pigeon River. A true test of golf from any of the five sets of tees, the first five holes on The River demand accurate shot-making and a cool set of nerves off of the tee.

The Highlands course is shorter than The River, but no less challenging. Featuring gorgeous mountain views, dramatic elevation changes and all the demands of mountain golf, accurate approaches on the Highlands course will reward golfers with birdie chances.

Plan a whole vacation around your tee times and choose from a variety of great lodging options. Sevierville's famous high-end outlet shopping, down-home southern cooking and world-class amusements, such as Dollywood, make this a great golf destination for the whole family. Upscale cabin resorts, award winning hotels, scenic campgrounds and water park resorts are all available in Sevierville and several of the Sevierville Golf Club's lodging partners offer excellent golf package opportunities for individuals and groups.
