## Featured Courses

### CRAFT FARMS CYPRESS BEND

18 HOLES • PAR 72 • DESIGNED BY ARNOLD PALMER

Cypress Bend features staggered tee boxes, sprawling bunkers, top quality putting surfaces and year-round lush conditions. It also boasts a 4-1/2 star rating by Golf Digest. The course has a coastal feel as it traverses a unique system of cord-grass accented lakes which come into play on nearly every hole. Cypress Bend offers wide fairways, vast landing areas and large undulating greens, giving golfers confidence as they prepare to tackle this Palmer creation.

The modern layout and links-style course is a pleasure to play. The 4th Hole is the trickiest on the course. You must have a well-placed tee shot and may not want to use your driver. The 2nd shot over water must be placed just right to score well on this hole.

### PENINSULA

27 HOLES • PAR 72 • DESIGNED BY EARL STONE

Rated 4.5 stars by Golf Digest and selected as one of the “most memorable and enjoyable” in the southeast, Peninsula provides a golfing experience that is rivaled by few. Designed by Earl Stone, the 27-hole golf course boasts 7,026 yards from the championship tees and delivers a playable and enjoyable layout for golfers of all skill levels.

Be sure to see our signature hole Lakes #7 while visiting Peninsula. This par five boasts a large landing area off the tee and a backdrop of beautiful Mobile Bay. Make sure to play your second shot down the right side of the fairway to avoid the wetlands left. Big hitters may elect to go for this long and narrow green in two, but beware of the hazard left and out of bounds right.

### CRAFT FARMS COTTON CREEK

18 HOLES • PAR 72 • DESIGNED BY ARNOLD PALMER

Featuring rolling fairways and large undulating greens, Cotton Creek at Craft Farms Golf Resort is very playable from the forward tees and a true championship challenge of over 7,000 yards from the tips. True to its Palmer design, this traditional 18-hole masterpiece was laid out to challenge rather than intimidate, and Golf Digest has consistently rated Cotton Creek as one of the Best Places to Play!

Considering a risky shot to go for the green? Your bravery will be rewarded with large undulating greens. The 6th Hole is the most challenging on Cotton Creek. With a well-placed tee shot over water to the fairway, the 2nd shot also requires a smart swing over more water to the green. A birdie on this hole will delight anyone who rises to meet its challenge!
